

# Don Jacobo

## CRianza

*Don Jacobo wines pay tribute to the winery's exceptional location along the Camino de Santiago. Crafted with passion and rooted in tradition, they reflect the legacy of a winery with over 125 years of winemaking excellence.*

### GRAPE VARIETIES

90% Tempranillo and 10% Garnacha

### VINEYARDS AND WINEMAKING

Don Jacobo Crianza 2023 is born from the challenge of reimagining a classic. Following the harvest from carefully selected vineyards located at over 550 metres above sea level, the destemmed grapes undergo fermentation without crushing. The wine is then aged for 12 months in oak barrels, allowing the fruit to evolve while maintaining its liveliness. The result is a beautifully balanced Crianza with vibrant fruit, remarkable freshness, and a smooth, rounded finish.

### TASTING NOTE

Deep garnet red in colour with bright ruby highlights, clean and of medium intensity. The nose reveals an expressive bouquet of fresh red fruit, delicate spices, cocoa and caramel, complemented by subtle toasted notes that add complexity. On the palate, it is smooth and well balanced, with soft, well-integrated tannins, refreshing acidity, and a long, persistent finish.

### WINE PAIRING

An ideal companion to grilled meats, roasted tomatoes, wild mushrooms, and aged cheeses.

### STORAGE AND CONSUMPTION

Best served between 15 and 18°C.

### SUBZONE CLASSIFICATION

100% Rioja Alta.

Alcohol: 13,5% vol. 750 ml.
